

## Manufactured Home

- Policies for both primary residence or seasonal manufactured homes.
- Comprehensive Coverage for the home and other structures, such as sheds.
- Actual Cash Value Coverage for your personal property or choose the optional Replacement Cost.
- Personal Liability Coverage protects against accidents that cause bodily injury or property damage for which you're held legally responsible.

## Dwelling Fire

- Policies for those that don't need comprehensive homeowners coverage and/or have rental, seasonal or vacant homes.
- Customize a policy designed specifically for your coverage needs – not a pre-packaged policy where you pay for coverages you don't need.
- Comprehensive (all-risk) Protection or Named Peril Protection (fire, lightning, smoke, etc.).
- Coverage for Other Structures such as detached garages and sheds.

## Homeowners

- Policies for those that don't qualify for standard homeowners coverage due to factors such as age of the home, area where the home is located, or past claims history.
- Protection against named perils such as tornado, wind, fire and more.
- Actual Cash Value Coverage for your home and personal belongings.
- Personal Liability Coverage protects against accidents that cause bodily injury or property damage for which you're held legally responsible.

## Motorcycle/ATV

- Programs for all types of bikes, including touring, cruisers, sport bikes and ATVs.
- Replacement Cost Coverage available on select bikes.
- Accessory coverage included; higher limits available.
- Opportunities for several discounts, which are cumulative.
- On-line safety course at [www.amigcampus.com](http://www.amigcampus.com) worth 10 percent off premium.

## Motor Home/Travel Trailer

- Every policy includes physical damage protection.
- Customize your policy and get more protection than you'll find with other carriers by adding optional coverages:
  - ✓ *Personal Effects*
  - ✓ *Vacation Liability*
  - ✓ *24-Hour Roadside Assistance*
  - ✓ *Coverage that protects total losses, offered on every policy*

## Boat/Personal Watercraft

- Start with liability only or full coverage, then add the optional coverages you want and need such as:
  - ✓ *Waterski liability*
  - ✓ *Trailers and tenders*
- No limits on where you trailer your boat, and no required lay-up periods.
- Special endorsements: Uninsured Watercraft, Non-Owned Watercraft Liability, Personal Effects Coverage, and Emergency Assistance and Towing.

## Snowmobile

- Three customizable levels of protection.
- Tailor your policy with coverage options such as Accessory Coverage and Medical Payments.
- Cross state boundaries and your coverage automatically adjusts to the limits of that state.
