Coverages underwritten by the companies of American Modern Insurance Group, including American Modern Home Insurance Company. This document was revised 4/08 and is intended for use by the producers of American Modern Insurance Group and affiliated companies - do not copy or distribute this document. Reasonable attempts were made to accurately compare underwriting criteria, coverages and rates; however, programs vary by state and we may not have all of the factors available to determine actual coverage data. Contact the company or authorized agent with questions.
