

CASUALTY

Tuscano

The Tuscano Casualty Team can handle your tougher casualty risks. We have the experience and markets to get your clients covered. We can write all of the tougher classes of business that your standard markets are not writing.

Some of our classes include

- General Contractors
- Manufacturers
- Welding & Fabrication
- Demolition
- Excavation
- Roofers
- Environmental Contractors
- Energy Related Risks
- Many more

Coverage Features

- Umbrella & Excess available
- Products Liability
- Pollution Liability
